[Measurement budget template](#)

Nikhil D'Sa

This template guides teams through the different budget line items they should consider when attempting to collect data about learning or development outcomes of children or adolescents. This template and information are provided for reference only.

[Checklist for developing and evaluating evaluation budgets](#)

Jerry Horn

“This checklist is designed to assist evaluators and others thinking through the many issues that should be considered when developing an evaluation budget. This instrument is divided into several categories of typical cost items for conducting evaluations, and questions or statements are used as prompts for users to consider. In some cases, an item on the checklist may not be applicable.”
