Total number of teacher preparation programs: 22
**Program Requirements**

Check the elements required for admission (entry) into and completion (exit) from the program. If programs are offered at the undergraduate level and postgraduate level, complete the table for both types of programs.  

$(§205(a)(1)(C)(i))$

---

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Full-time equivalent faculty supervising clinical experience
- Adjunct faculty supervising clinical experience
- Cooperating Teachers/PreK-12 Staff Supervising Clinical Experience
- Supervised clinical experience

---

**Undergraduate Requirements**

1. Are there initial teacher certification programs at the undergraduate level?

   - [ ] Yes
   - [ ] No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the table below blank (or clear responses already entered) then click save at the bottom of the page.

| Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom | 91 |
| Number of years required for teaching as the teacher of record in a classroom | 2 |
Please provide any additional information about or descriptions of the supervised clinical experiences:

Notre Dame candidates are supervised by a University faculty member, the principal, and a mentor teacher. They are placed across the country based on content, developmental level, and need; however, receive on-site mentoring from the principal and mentor teacher and complete an on-site visit each semester from the University faculty member.
In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year. ([§205(a)(1)(C)(ii)](https://example.com/glossary))

</tbody>
</table>
On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Academic Major

---

### Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2019-20.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (/§205(b)(1)(H)/)

**What are CIP Codes?**

- No teachers prepared in academic year 2019-20

If your program has no teachers prepared, check the box above and leave the table below blank (or clear responses already entered).

### Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2019-20. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205(b)(1)(H)](https://example.com/section)

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

**What are CIP Codes?**

Do participants earn a degree upon completion of the program?

- **Yes**
- **No**

If no teachers prepared in academic year 2019-20

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or clear responses already entered).

Program Assurances

1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.
   - Yes
   - No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.
   - Yes
   - No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.
   - Yes
   - No
   - Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.
   - Yes
   - No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.
   - Yes
   - No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.
   - Yes
   - No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.
   - Yes
   - No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

   Teacher candidates have specific coursework in each of these areas. In addition, continuing coursework and teaching on-site for two years gives our prospective teachers more hands-on experience. Each candidate has both a pastoral and academic supervisor. All candidates come to gather for an "academic" retreat at least three times a year for additional support and community.
Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. 

($205(a)(1) (A)(i)$, $205(a)(1)(A)(ii)$, $206(a)$)

---

**Report Progress on Last Year’s Goal (2019-20)**

1. Did your program prepare teachers in mathematics in 2019-20?

   If no, leave remaining questions for 2019-20 blank (or clear responses already entered).

   - Yes
   - No

2. Describe your goal.

   The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the "requested" number of teachers in mathematics in relation to our training capacity. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in mathematics, ACE will provide the number requested given capacity. It is important to note that requests for teachers in math are consistent.

3. Did your program meet the goal?

   - Yes
   - No

4. Description of strategies used to achieve goal, if applicable:

   Please see the description above. We meet the fluctuating goal for our Catholic schools.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:
The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the requested number of teachers in mathematics. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in mathematics, ACE will provide the number requested given capacity. It is important to note that requests for teachers in math are consistent.

Review Current Year’s Goal (2020-21)

7. Is your program preparing teachers in mathematics in 2020-21? If no, leave the next question blank.
   - Yes
   - No

8. Describe your goal.
   The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the "requested" number of teachers in mathematics in relation to our training capacity. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in mathematics, ACE will provide the number requested given capacity. It is important to note that requests for teachers in math are consistent.

Set Next Year’s Goal (2021-22)

9. Will your program prepare teachers in mathematics in 2021-22? If no, leave the next question blank.
   - Yes
   - No

10. Describe your goal.
    The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the "requested" number of teachers in mathematics in relation to our training capacity. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in mathematics, ACE will provide the number requested given capacity. It is important to note that requests for teachers in math are consistent.
Annual Goals: Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. 

(§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Quantifiable Goals

Report Progress on Last Year's Goal (2019-20)

1. Did your program prepare teachers in science in 2019-20?
   - Yes
   - No

2. Describe your goal.
   
   The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the requested number of teachers in science. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in science, ACE will provide the number requested given capacity. It is important to note that requests for teachers in science are consistent.

3. Did your program meet the goal?
   - Yes
   - No

4. Description of strategies used to achieve goal, if applicable:
   
   Please see description above.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:
   
   Please see description above.

6. Provide any additional comments, exceptions and explanations below:
The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the requested number of teachers in science. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in science, ACE will provide the number requested given capacity. It is important to note that requests for teachers in science are consistent.

Review Current Year’s Goal (2020-21)

7. Is your program preparing teachers in science in 2020-21? If no, leave the next question blank.
   - Yes
   - No

8. Describe your goal.
   The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the requested number of teachers in science. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in science, ACE will provide the number requested given capacity. It is important to note that requests for teachers in science are consistent.

Set Next Year’s Goal (2021-22)

9. Will your program prepare teachers in science in 2021-22? If no, leave the next question blank.
   - Yes
   - No

10. Describe your goal.
    The University of Notre Dame Alliance for Catholic Education (ACE) partners with Catholic schools across the country and supplies the requested number of teachers in science. Therefore, ACE does not have a set goal, rather fills the annual need. If there is a request for increased numbers of teachers in science, ACE will provide the number requested given capacity. It is important to note that requests for teachers in science are consistent.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. ([§205(a)(1)(B)](https://example.com/section-205))

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Low-Performing

1. Is your teacher preparation program currently approved or accredited?
   - [ ] Yes
   - [ ] No

   If yes, please specify the organization(s) that approved or accredited your program:
   - [ ] State
   - [ ] CAEP
   - [ ] AAQEP
   - [ ] Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?
   - [ ] Yes
   - [ ] No

Provide the following information about the approval or accreditation of your teacher preparation program. (§205(a)(1)(D), §205(a)(1)(E))
On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))

   Does your program prepare teachers to:

   a. integrate technology effectively into curricula and instruction
      - Yes
      - No

   b. use technology effectively to collect data to improve teaching and learning
      - Yes
      - No

   c. use technology effectively to manage data to improve teaching and learning
      - Yes
      - No

   d. use technology effectively to analyze data to improve teaching and learning
      - Yes
      - No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The use of technology is well-integrated into programming. Candidates learn about technology/innovation for education and must use it consistently in their own learning and teaching. They employ technology through their teaching; and maintain records and grades; and homework assignments and assessments are provided to parents via technology during the clinical experience. In addition, candidates take on-line coursework throughout the two-year student teaching experience wherein they access everything via an online platform. They are required to video and annotate their teaching and all evidence of performance is uploaded into electronic portfolios. Moreover, they are impacting student outcomes by insuring their students are using technology to meet current innovative needs.
Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

   a. Teach students with disabilities effectively

   Candidates take diversity courses and are educated in intervention methods along with differentiated instruction through required inclusive education coursework. Content and evaluation is aligned to the Indiana Department of Education standards and delivered by the Program for Inclusive Educator director at Notre Dame. This content is further aligned to the CEC national standards. In addition to coursework, candidates participate in a 2-year teaching experience that enable them to form longitudinal strategies to meet the diverse needs of learners with different abilities.

   b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act.

   The education candidates are serving in Catholic schools. Some Catholic schools do not accept students with disabilities or accept many less than the public schools. Given this constraint not all candidates will have the opportunity to participate in an IEP meeting in their schools. However, Notre Dame ensures all candidates are well-versed in the IEP process. During the Inclusive Teaching Practices course (special education), the content is covered and candidates participate in activities and mock IEP conferences based on a vignette. Given the importance of this process, Notre Dame will continue to provide these opportunities to ensure ALL candidates have this experience. Please note that some of our candidates have experienced this in the school setting. This process ensures ALL candidates have the content and practice.

   c. Effectively teach students who are limited English proficient.

   Candidates take diversity courses and are educated in intervention methods along with differentiated instruction through required English Language Learners coursework. Content and evaluation is aligned to the Indiana Department of Education standards and delivered by the ENL director at Notre Dame. Her content is further aligned to the TESOL national standards. In addition to coursework, candidates participate in a 2-year teaching experience that enable them to form longitudinal strategies to meet the diverse needs of English Learners.

2. Does your program prepare special education teachers?

   Yes
   No

   If yes, provide a description of the activities that prepare special education teachers to:

   a. Teach students with disabilities effectively

   b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act.
c. Effectively teach students who are limited English proficient.
On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

The ND-ACE teaching program provides for a two-year supervised teaching experience while the candidates serve as teachers of record. When candidates finish the program with their supervised teaching and other course work (37-41 credit hours), they receive a Master's of Education degree.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.
Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

**Certification of submission**

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.

**NAME OF RESPONSIBLE REPRESENTATIVE FOR TEACHER PREPARATION PROGRAM:**

Christine M Bonfiglio

**TITLE:**

Director-Office of Professional Standards

**Certification of review of submission**

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.

**NAME OF REVIEWER:**

John Staud

**TITLE:**

Acting Executive Director; Institute for Educational Initiatives
