EDUCATION

University of Notre Dame

Fall 2021 – Spring 2025

PhD, Psychology

Furman University (Greenville, SC)

Fall 2021 – Spring 2025

B.S., Psychology and Mathematics

Cumulative GPA: 4.0

MANUSCRIPTS UNDER REVIEW

Page, E. R., Putnam, A. L., (2025). Temporal Stability of Collective Future Thinking. *Manuscript submitted for publication.*

PRESENTATIONS

Page, E. (2023, July). *Media and Perceptions of the Future*. Talk given at Furman Psychology & Neuroscience Summer Research Conference, Greenville, South Carolina.

Page, E. (2024, April). *Media and Perceptions of the Future*. Talk given at Furman Engaged, Greenville, South Carolina.

Page, E. (2024, May). *Stability of Collective Future Thought*. Poster presented at Association for Psychological Science Annual Convention, San Francisco, California.

Page, E. (2024, July). *Future Thinking Across Time*. Poster presented at Furman Psychology & Neuroscience Summer Research Conference, Greenville, South Carolina.

Page, E. (2025, April). *Framing of Collective Future Thinking*. Talk given at Furman Engaged, Greenville, South Carolina.

RESEARCH EXPERIENCE

Honors Thesis Student

Fall 2024 – Spring 2025

- Spearheaded independent research in collective temporal thought
- Designed an experiment comparing different operationalizations of collective future thinking
- Drafted research proposal and submitting to IRB
- Ran data collection through Qualtrics and Prolific
- Conducted data analysis using R
- Defended my thesis in front of my thesis committee and other Furman psychology faculty

- Wrote a paper of publishable quality to communicate findings
- Presented my thesis at Furman Engaged

Furman Memory Lab

Spring 2023 – Spring 2025

- Worked as Research Assistant both in full time and part time capacities under Dr. Putnam
- Extensive review of collective temporal thought and memory literature
- Developed survey design skills in Qualtrics
- Drafted and submitted IRB proposals
- Designed and completed a study assessing the relationship between valence bias in news media and valence biases in collective future thinking
- Designed and completed a study assessing the temporal stability of future thinking across different domains and time frames
- Conducted data cleaning and statistical analysis in R
- Completed a manuscript to be submitted for review
- Assisted in training of incoming research assistants
- Presented posters and talks at various conferences

Furman Development Lab

Fall 2024 – Spring 2025

- Volunteered under Dr. Burkholder
- Assisted in data collection for a study assessing children's understanding of fairness of socioeconomic inequities
- Received training in conducting virtual interviews
- Conducted structured interviews of participants ages 6-12 over Zoom

PROFESSIONAL EXPERIENCE

Furman Psychology Department

2023

Teaching Assistant (Adult Psychopathology)

- Developed and implemented tutorial sessions to assist students in understanding challenging topics
- Met one-on-one with students to assist in understanding content and assignments
- Helped students master assignments and reinforced learning concepts presented in class
- Provided feedback on implementation of course changes and structuring

Furman Office of Student Involvement

Summer 2022 - Fall 2023

Student Orientation Leader

- Assisted with transition to college life by providing one-on-one support
- Addressed a variety of visitor questions and concerns, offering additional resources and references for more detailed information
- Facilitated group activities among assigned students and promoted community bonds through engaging events
- Maintained accurate records of student attendance at orientations sessions

Furman Center for Academic Success*Spring 2024***Peer Assisted Learning Consultant (Topology)**

- Met with students one-on-one to review assignments and prepare for exams
- Assisted students in understanding mathematical concepts from class
- Maintained regular hours of availability to be available for drop in tutoring sessions
- Attended staff trainings to work with Learning Consultants from various disciplines to discuss different tutoring methods

Furman Office of Student Involvement*Fall 2023 - Fall 2024***Student Orientation Staff Coordinator**

- Organized and facilitated New Student Orientation events, including registration, check-in, and student activities
- Developed a comprehensive orientation schedule to ensure all new students received necessary information and resources
- Coordinated with faculty members to arrange welcome sessions for incoming students.
- Monitored overall performance of staff members involved in managing New Student Orientation events
- Reviewed feedback from previous orientations and proposed improvements for future events based on those reviews
- Designed and led training to prepare Orientation Leaders to successfully lead orientation groups

PSYCHOLOGY COURSEWORK

- Abnormal Psychology
- Research Methods & Statistics
- Learning
- Childhood and Adolescence
- Social Psychology
- Psychology of Gender
- Sensation & Perception
- Organizational Psychology

RELEVANT MATHEMATICS COURSEWORK

- Statistics and Data Analysis in R
- Combinatorics and Graph Theory
- Group Theory
- Problem Solving in Mathematics
- Topology
- Mathematical Models and Applications

LEADERSHIP AND INVOLVEMENT

- **Furman Panhellenic Council** *Vice President of Service and Philanthropy*
- **Chi Omega Fraternity** *Member*
- **Psi Mu Epsilon Honors Society** *Inductee*
- **Psi Chi Honors Society** *Inductee*
- **Phi Beta Kappa Honors Society** *Inductee*

FELLOWSHIPS AND AWARDS

Burns Fellowship	<i>2025 - Present</i>
University of Notre Dame Program for Interdisciplinary Educational Research	
Furman University Scholarship Cup	<i>2025</i>
Furman University	
Brewer Scholar	<i>2025</i>
Furman University Psychology Department	
Mathematics Award for Excellence	<i>2025</i>
Furman University Mathematics Department	
Hollingsworth Scholarship	<i>2021 - 2025</i>
Furman University	
Palmetto Fellows	<i>2021 - 2022</i>
South Carolina Commission on Higher Education	
Dean's List	<i>2021 - 2025</i>
Furman University	
Palmetto Fellows Enhancement	<i>2022 - 2025</i>
South Carolina Commission on Higher Education	
Furman Summer Research Fellowship	<i>2023</i>
Furman University	
Furman Summer Research Fellowship	<i>2024</i>
Furman University	

SKILLS

- Proficient in R including tidyverse, data cleaning, multi-level models, and text mining
- Qualtrics
- Jamovi
- Prolific
- Working knowledge of Microsoft Office Suite, Google Drive and Associated Apps

OTHER WORK EXPERIENCE

- Swim Instructor (for ages 18 months - 12 years)
